

Arsenal Match Ticket Availability 2018-19

Did you know that Durham Indoor Soccer Centre has two season tickets for the Arsenal's home ground - The Emirates Stadium in London. These tickets are available for purchase by customers and clients of Durham Indoor Soccer Centre.

The seats are located in the lower centre stand in Rows 1 and 5 - virtually at the half way line. You can see the view from these seats by visiting <https://www.arsenal.com/emiratesstadiumseatview> and inserting Block 16, Row 1 seat 501 and Block 16 Row 4 Seat 506.

If you are visiting London and want to take in a top flight game, shoot me an e-mail detailing the game that you are interested in to John Lay at yalnhoj@gmail.com

Please note game times can be adjusted for TV coverage and Europa League fixtures. I will try to keep this list up to date but please make sure you check the game time for the weekend you are interested in

This page will be updated as and when matches are sold and cup match dates are confirmed.
